 - A. Greed
 - B. Lack of loyalty
 - C. High sense of entitlement
 - D. Low sense of entitlement(1 mark)

5. Which one of the following fraud elements **BEST** describes greed?
 - A. Pressure
 - B. Perceived opportunity
 - C. Justification
 - D. Situational pressure(1 mark)

www.chopi.co.ke

6. Which one of the following **BEST** describes pressure to meet financial targets?
- A. Situational pressure
 - B. Financial pressure
 - C. Social pressure
 - D. Regulatory pressure
- (1 mark)
7. Which one of the following principles of the COSO components is associated with establishing the culture of the organisation?
- A. Risk assessment
 - B. Control environment
 - C. Control activity
 - D. Monitoring
- (1 mark)
8. Which one of the following controls is provided by the COSO components?
- A. Detective controls
 - B. Effective controls
 - C. Preventive and detective controls
 - D. Preventive controls
- (1 mark)
9. Which one of the following parties has the responsibility of evaluating the effectiveness of the internal control system?
- A. Board
 - B. Management
 - C. Audit committee
 - D. Internal auditor
- (1 mark)
10. Which one of the following is **NOT** a component of the fraud prevention check list?
- A. Fraud prevention officer
 - B. Fraud training and awareness
 - C. Reporting programs
 - D. Responsibility for fraud prevention
- (1 mark)
11. Which one of the following controls **CANNOT** help in mitigation of management override of controls risk?
- A. Adequate oversight
 - B. Employees support program
 - C. Surprise audits
 - D. Comprehensive compliance program
- (1 mark)
12. Which one of the following controls **CANNOT** discourage employees from engaging in fraudulent activities?
- A. Forensic audits
 - B. Surprise audits
 - C. Independent reconciliations
 - D. Fraud detection
- (1 mark)

13. Which one of the following is a component of fraud prevention health check-up that is associated with defining the organisation's fraud risk appetite?
- A. Fraud risk tolerance and risk management
 - B. Fraud risk ownership
 - C. Fraud risk assessment
 - D. Fraud risk oversight
- (1 mark)
14. Which one of the following parties is responsible for monitoring the effectiveness of the fraud risk management program?
- A. Internal auditor
 - B. Risk officer
 - C. Management
 - D. Board of directors
- (1 mark)
15. Which one of the following parties is responsible for establishing a culture of ethics and integrity in an organisation?
- A. Managers and supervisors
 - B. Internal auditor
 - C. The board of directors
 - D. Management
- (1 mark)
16. Which one of the following parties is responsible for providing direction of establishing a culture of ethics and integrity in an organisation?
- A. Management
 - B. Board of directors
 - C. Internal auditors
 - D. External auditors
- (1 mark)

- A. Detective controls are positive reinforcement measures
 - B. Detective controls are soft controls
 - C. Detective controls encourage employees not to engage in fraudulent activities
 - D. Detective controls discourage employees not to engage in fraudulent activities
- (1 mark)

20. Which one of the following **BEST** describes the purpose of reengineering of controls?
- A. The purpose is to enhance the controls
 - B. The purpose is to enforce the controls
 - C. The purpose is to reduce opportunity of collusion
 - D. The purpose is to strengthen the controls
- (1 mark)
21. Which one of the following principles is associated with setting clear objectives to enable the identification and assessment of fraud risks?
- A. Fraud risk assessment principle
 - B. Fraud control activities principle
 - C. Fraud monitoring activities principle
 - D. Control environment principle
- (1 mark)
22. Which one of the following statements is **ACCURATE** in regard to a fraudulent and corrupt organisation environment?
- A. Fraudulent and corrupt organisation environment reflects on the board
 - B. Fraudulent and corrupt organisation environment reflects on individuals
 - C. Fraudulent and corrupt organisation environment reflects on the internal auditors
 - D. Fraudulent and corrupt organisation environment reflects on the external auditors
- (1 mark)
23. Which one of the following statements is **NOT** accurate in regard to employee's anti-fraud training?
- A. The training should be conducted for both employees and management
 - B. The training should be conducted annually
 - C. The training should include details of how the organisation will conduct fraud detection
 - D. The training should include information about the organisation's attitude towards fraudulent activities
- (1 mark)
24. Which one of the following is a fraud risk associated with financial crisis?
- A. Rationalisation
 - B. Pressure
 - C. Opportunity
 - D. Situational pressure
- (1 mark)
25. Which one of the following **BEST** describes fraud prevention health check-up component that is related to integrating anti-fraud controls in all the processes?
- A. Fraud control activities
 - B. Fraud risk tolerance and risk management policy
 - C. Internal control environment
 - D. None of the above
- (1 mark)
26. Which one of the following statements **BEST** describes the difference between enhancing and enforcing controls?
- A. Enhancing internal controls involves adding more controls while enforcing controls involve integrating the internal controls with preventive and detective controls
 - B. Enhancing internal controls involves reorganising controls while enforcing controls involve integrating the internal controls with preventive and detective controls
 - C. Enhancing and enforcing controls involves the same exercise
 - D. Enhancing internal controls involves replacing controls while enforcing controls involve integrating the internal controls with preventive and detective controls
- (1 mark)

27. Which one of the following statements **BEST** describes an environment with zero tolerance for fraudulent behavior?
- A. It is an environment with an internal control system that is integrated with preventive and detective controls
 - B. It is an environment with strong internal controls
 - C. It is an environment with effective internal controls
 - D. It is an environment with an internal control system integrated with preventive controls (1 mark)
28. Which one of the following statements is **NOT** accurate in regard to the statutory auditor's responsibility for fraud?
- A. International Standard on Auditing (ISA) 240 has put express responsibility on the auditors to detect fraud in the course of auditing financial statements

- A. internal auditor
 - B. management
 - C. board of directors
 - D. compliance officer
- (1 mark)
47. Which one of the following **BEST** describes a soft control?
- A. Proactive detection measures
 - B. Segregation of duties
 - C. Special audits
 - D. Physical controls
- (1 mark)

48. Which one of the following controls is both preventive and has control?
- A. Segregation of duties
 - B. Fraud awareness training
 - C. Hiring policies
 - D. Fraud audits
- (1 mark)
49. Which one of the following statements is **ACCURATE** in regard to conflict of interest in professional engagements?
- A. A Certified Fraud Examiner cannot accept an assignment where he has a conflict of interest
 - B. A Certified Fraud Examiner can accept an assignment where he has interest
 - C. An accountant can accept an assignment where he has a conflict of interest
 - D. Both an accountant and a fraud examiner can accept an assignment where he has conflict of interest as long as he discloses the interest
- (1 mark)
50. Which one of the following parties is responsible for the tone at the top?
- A. The management
 - B. Internal auditors
 - C. External auditors
 - D. Board of directors
- (1 mark)
51. Which one of the following parties in an organisation has the final responsibility for compliance with laws and regulatory requirements?
- A. Board
 - B. Management
 - C. Compliance officer
 - D. Internal auditor
- (1 mark)
52. Which one of the following parties in an organisation has responsibility for providing the third line of defense against fraud risks?
- A. Management
 - B. Risk officer
 - C. Internal auditor
 - D. Heads of departments
- (1 mark)
53. Which one of the following statements is **NOT** accurate in regard to destructive behavior like fraudulent and corrupt activities?
- A. Destructive behavior can be modified
 - B. It is not possible to change an individual's destructive behavior
 - C. Destructive behavior can be modified through detective controls
 - D. It is the responsibility of the board and management to modify behavior at workplace
- (1 mark)
54. Which one of the following statements is **ACCURATE** in regard to absence of internal controls?
- A. Absence of internal controls is not a red flag of fraud
 - B. Absence of internal controls is a root cause of fraud
 - C. Absence of internal controls is not a root cause of fraud
 - D. Absence of internal controls is a risk of fraud
- (1 mark)

55. Which one of the following principles of corporate governance is related to reporting structures within an organisation?
- A. Transparency
 - B. Fairness
 - C. Responsibility
 - D. Accountability
- (1 mark)
56. Which one of the following parties has the primary responsibility for monitoring, compliance program?
- A. Internal Auditor
 - B. Management
 - C. Board of Directors
 - D. Compliance Officer
- (1 mark)
57. Which one of the following is **NOT** a soft control that can enforce hard controls?
- A. Surprise audits
 - B. Training and awareness
 - C. Analytical data review
 - D. Segregation of duties
- (1 mark)
58. Which one of the following **BEST** describes the type of control related to fraud awareness and training?
- A. Preventive controls
 - B. Detective controls
 - C. Hard controls
 - D. Basic controls
- (1 mark)
59. Which one of the following parties has the primary responsibility for the design and implementation of fraud policies and strategy?
- A. Board
 - B. Management
 - C. Internal auditor
 - D. Compliance officer
- (1 mark)
60. Which one of the following statements is **MOST** accurate in regard to enforcing of hard controls?
- A. Enforcing hard controls involves adding preventive and detective controls to the hard controls
 - B. Enforcing hard controls involves adding basic controls to the hard controls
 - C. Enforcing hard controls involves reengineering the hard controls
 - D. Enforcing hard controls involves adding preventive controls to the hard controls
- (1 mark)
61. Which one of the following statements **BEST** describes board's responsibility for fraud risk management program?
- A. Conducting fraud risk assessment
 - B. Monitoring and proactively improving the fraud risk management program
 - C. Regularly updating the fraud risk management program
 - D. Overall responsibility for the fraud risk management program
- (1 mark)

62. Which one of the following is an element of an effective reporting program?
- A. How to identify red flags and risks of fraud
 - B. How to report fraud
 - C. A third party fraud hotline
 - D. Sanctions for fraudulent activities
- (1 mark)
63. Which one of the following statements is **NOT** accurate in regard to modifying desires at work place?
- A. Desires can be modified through soft controls

- (1 mark)
9. The IOSCO principles for auditor oversight, effective oversight of the auditing profession does **NOT** include which of the following principles?
- A. The mechanism does not require auditors to be subject to the discipline of an auditor oversight body that is independent of the audit profession
 - B. A mechanism to require that auditors have proper qualifications and competency
 - C. A mechanism to require that auditors are independent of the enterprises that they audit
 - D. The mechanism requires auditors to be subject to the discipline of an auditor oversight body that is independent of the audit profession
- (1 mark)
10. Which one of the following **BEST** describes the rationalisation leg of the fraud triangle?
- A. "Management is not taking action on reported cases, I guess it is not that bad. I can also do the same"
 - B. "I need money to pay bills"
 - C. "Possibility of detection is very low"
 - D. "I have an emergency I have no other way to solve the problem"
- (1 mark)
11. Which one of the following **BEST** describes the opportunity leg of the fraud triangle?
- A. "Management and the board are engaging in conflict of interest, so it is okay"
 - B. "I need money for an emergency need"
 - C. "The board does not have the capacity to provide oversight"
 - D. "I am entitled to more compensation"
- (1 mark)
12. Which one of the following **BEST** describes situational pressure?
- A. "Management and the board are taking kickbacks, so it cannot be that bad?"
 - B. "I need money to pay my debts"
 - C. "We have spent more than the budget; we have to omit some expenses in this financial year's financial statements"
 - D. "I have an emergency and I have no other way of solving the problem"
- (1 mark)
13. Which one of the following factors should an organisation **NOT** consider when designing the components of its compliance and ethics program?
- A. Law and regulatory environment
 - B. Past incidences of fraudulent and corrupt activities
 - C. Industry size and standards
 - D. The effectiveness of the internal controls
- (1 mark)
14. Which one of the following is **NOT** one of the fraud risk assessment principles?
- A. Conducting ongoing detection of emerging fraud risks
 - B. Assessing situations or circumstances that could significantly impact the internal control system
 - C. Setting clear organisational objectives
 - D. Identification of fraud risks
- (1 mark)

15. COSO identified five components that **MUST** be integrated into which one of the following?
- A. Compliance program
 - B. Ethics program
 - C. Prevention program
 - D. Internal control system
- (1 mark)
16. Which one of the following parties has responsibility for the design and implementation of COSO interrelated component?
- A. Board
 - B. Management
 - C. Audit committee
 - D. Internal auditor
- (1 mark)
17. Which one of the following elements is **NOT** a desirable component of the compliance program?
- A. Designated compliance officer
 - B. Appropriate incentives for compliance with the program
 - C. Effective internal controls
 - D. Continuous evaluation of the compliance program
- (1 mark)
18. Which one of the following controls **CANNOT** help to mitigate the risk of rationalisation?
- A. Fraud awareness training
 - B. Employees support program
 - C. Proactive forensic audits
 - D. Comprehensive code of ethics
- (1 mark)
19. Which one of the following is **NOT** a proactive fraud detection control?
- A. Special audits
 - B. Fraud assessment questioning
 - C. Independent reconciliations
 - D. Fraud detection
- (1 mark)
20. Which one of the following is a component of fraud prevention health check-up, that is related to the extent to which the board of directors are providing oversight over fraud risk management?
- A. Fraud risk governance
 - B. Fraud risk tolerance
 - C. Fraud risk assessment
 - D. None of the above
- (1 mark)
21. Which one of the following is **NOT** a component of a comprehensive ethics program?
- A. Focus on successful leadership
 - B. Ethic compliance officer
 - C. Values statement
 - D. Ethics reporting and ethics data
- (1 mark)
22. Which one of the following is a desirable component of a comprehensive ethics program?
- A. A designated ethics official
 - B. An effective internal control system
 - C. An effective fraud risk management program
 - D. All the above
- (1 mark)
23. Which one of the following is **NOT** a responsibility for the internal auditor while conducting an audit engagement?
- A. Continuous monitoring of the effectiveness of the fraud risk management program
 - B. Evaluate whether management is actively evaluating the effectiveness of the fraud risk management program
 - C. Consider fraud risks in the assessment of internal control design and implementation
 - D. None of the above
- (1 mark)

24. The commission formed in 1985 with the purpose of defining the auditor's responsibility for preventing and detecting fraud in financial reporting is known as:
- A. COSO Commission
 - B. Sarbanes Oxley
 - C. International Accounting Standards Board
 - D. The treadway commission
- (1 mark)
25. Which one of the following is **NOT** accurate in regard to good corporate governance framework?
- A. It is not adaptable to change
 - B. Is appropriate for the organisation's legal and regulatory environment
 - C. Takes into account the organisation's cultural and ethical environment
 - D. It is dynamic
- (1 mark)
26. Which one of the following statements is **NOT** accurate in regard to OECD principles of Corporate Governance?
- A. The OECD Principles of Corporate Governance support establishing equal protection for foreign shareholders than domestic shareholders
 - B. The OECD Principles of Corporate Governance support establishing equal protection for domestic shareholders than foreign shareholders
 - C. The OECD Principles of Corporate Governance support equitable treatment for all shareholders
 - D. The OECD Principles of Corporate Governance support establishing stronger protection for minority shareholders, because they are more vulnerable
- (1 mark)

- A. Ensure proportionate treatment according to shareholding
 - B. Encourage active cooperation between corporations and stakeholders in creating wealth and jobs
 - C. Ensure the timely and accurate disclosure of all material matters regarding the corporation
 - D. None of the above
- (1 mark)
28. Which one of the following parties is responsible for holding the board of directors accountable for the company's resources?
- A. The stakeholders
 - B. The regulatory authority
 - C. Executive board
 - D. Shareholders
- (1 mark)
29. Which one of the following is **NOT** a recommendation of the Treadway Commission to the audit committee to prevent financial statement fraud?
- A. To be informed and vigilant
 - B. To have adequate resources and authority
 - C. To provide oversight over management
 - D. None of the above
- (1 mark)
30. Which one of the following parties is responsible for providing oversight over employees?
- A. Managers and supervisors
 - B. External auditors
 - C. The board of directors
 - D. Management
- (1 mark)
31. Effective corporate governance practices make business sense for any serious organisation. However, it is a must for some organisations to have effective corporate governance practices. Which one of the following is an example of such kind of organisation?
- A. A limited company
 - B. A sole proprietor enterprise
 - C. A public limited company
 - D. A limited partnership enterprise
- (1 mark)

32. Which one of the following **BEST** describes oversight responsibilities of different parties for an organisation's direction, operations and performance?
- A. Management
 - B. Audit committee
 - C. Corporate compliance
 - D. None of the above
- (1 mark)
33. Which one of the following **BEST** describes the principle related to clarity, accuracy, completeness and timeliness of the financial statements and other information provided by management to shareholders?
- A. Fairness
 - B. Accountability
 - C. Responsibility
 - D. None of the above
- (1 mark)
34. Which one of the following is the **MOST** effective method of fraud prevention?
- A. Designing and implementing detective controls
 - B. Designing and implementing preventive controls
 - C. Designing and implementing strong controls
 - D. All the above
- (1 mark)
35. Which one of the following statements **BEST** describes reengineering of controls?
- A. Reengineering of controls involves enhancing the controls
 - B. Reengineering of controls involves enforcing the controls
 - C. Reengineering of controls is a science of reorganising the existing controls
 - D. Reengineering of controls is an art of reorganising the existing controls
- (1 mark)
36. Which one of the following is **NOT** a control environment principle of the COSO, that supports the design and implementation of an effective control environment?
- A. Personnel at all levels demonstrate commitment to integrity and ethical values
 - B. Board should be independent of management and oversee the design and implementation of the internal control
 - C. Organisation holds internal auditors accountable for the effectiveness of the internal controls
 - D. None of the above
- (1 mark)
37. Which one of the following is **NOT** a fraud risk assessment principle of the COSO?
- A. The organisation sets clear objectives to enable the identification and assessment of risks relating to the objectives
 - B. The organisation identifies and detects the risks associated with the achievement of the objectives
 - C. The organisation identifies changes that would significantly impact the system of internal controls
 - D. None of the above
- (1 mark)
38. Which one of the following is among the board's responsibilities for fraud risk management?
- A. Design and implementation of controls to mitigate the risks
 - B. Monitoring and proactively improving the fraud risk management programme
 - C. Performing and regularly updating the fraud risk assessment
 - D. None of the above
- (1 mark)
39. Which one of the following topics should **NOT** be covered in employee anti-fraud training?
- A. A statement that management is going to respond to fraud allegation in a certain and swift manner
 - B. A statement that management has no appetite for fraudulent activities
 - C. An explanation of the exact methods that management is going to use in conducting fraud detection activities
 - D. All the above
- (1 mark)
40. Lack of effective oversight over management and an ineffective internal control system are examples of which type of fraud risk associated with financial statement fraud?
- A. Rationalisation
 - B. Pressure
 - C. Opportunity
 - D. Collusion
- (1 mark)

41. Which one of the following parties is responsible for fraud prevention in an organisation?
- A. Internal auditors
 - B. External auditors
 - C. All employees
 - D. Board of Directors
- (1 mark)
42. Which one of the following statements is **NOT** accurate according to the differential reinforcement theory?
- A. Behaviour is weakened by positive stimuli
 - B. Behaviour is weakened when punishment is avoided
 - C. Behaviour is reinforced when punishment is applied
 - D. None of the above
- (1 mark)
43. Which one of the following is **NOT** an effective method of increasing the perception of detection?
- A. Conducting fraud audits
 - B. Establishing an effective fraud reporting program
 - C. Conducting proactive forensic audits
 - D. Conducting forensic audits
- (1 mark)
44. Which one of the following is **NOT** a principle pertaining to the information and communication component of the COSO's Internal Control Integrated Framework?
- A. The organisation communicates information, including objectives and responsibilities for internal control, necessary to support the functioning of internal control internally
 - B. The organisation implement control activities to put the other controls into action
 - C. The organisation obtains and uses relevant, quality information to support the functioning of internal control
 - D. None of the above
- (1 mark)
45. Which one of the following statements is **NOT** accurate in regard to the role of human resource in fraud prevention?
- A. Human resource has responsibility for assessing and maintaining high level of loyalty, which is a fraud prevention measure
 - B. Human resource has responsibility for monitoring employee's lack of morale, which is a fraud risk
 - C. Human resource can support in conducting fraud risk assessments
 - D. Human resource function is the employee's fraud risk owner
- (1 mark)

- A. The purpose for violations is to retain employees' jobs
 - B. Compliance with government regulations are too expensive
 - C. The damage is shared among a large number of consumers
 - D. The purpose for violation to remain profitable
- (1 mark)
55. According to COSO, an internal control system should be designed to provide reasonable assurance in the achievement of the organisation's objectives. Which one of the following is **NOT** one of the objectives?
- A. The effectiveness and efficiency of the organisation's operations
 - B. To maximise income and profits
 - C. The organisation's compliance with the laws and regulations.
 - D. None of the above
- (1 mark)
56. Which one of the following is **NOT** a core principle of sound corporate governance?
- A. Responsibility
 - B. Confidentiality
 - C. Accountability
 - D. Transparency
- (1 mark)
57. Which one of the following parties, is responsible for providing oversight over the design and implementation of the organisation's fraud prevention program?
- A. The management
 - B. Internal auditors
 - C. External auditors
 - D. The board
- (1 mark)
58. Which one of the following parties, has responsibility for the design, implementation and monitoring of the effectiveness of the fraud risk management program?
- A. Internal auditor
 - B. External auditor
 - C. Management
 - D. Compliance officer
- (1 mark)

59. Which one of the following statements is **ACCURATE** in regard to internal control system?
- A. An effective internal control system can mitigate all types of fraud risks to an acceptable level
 - B. Red flags of fraud are sure indicators that fraud has occurred and the organisation should respond to such red flags by conducting a fraud investigation
 - C. Absence of internal controls is not a root cause of fraud
 - D. Risks of fraud are sure indicators that fraud has occurred and therefore the organisation should conduct a fraud investigation (1 mark)
60. Which one of the following theories **BEST** describes the use of threat of criminal sanctions?
- A. Prevention
 - B. Detection
 - C. Investigation
 - D. None of the above (1 mark)
61. Which one of the following parties in an organisation has responsibility for providing the first line of defense against fraud and corruption?
- A. Internal auditor
 - B. Risk manager
 - C. Compliance manager
 - D. The risk owners (1 mark)
62. Organisations should make efforts to control corporate crime. Which one of the following is an example of the **BEST** approach to control corporate crime?
- A. Internal audit
 - B. Fraud hotlines
 - C. Voluntary changes in corporate culture
 - D. Government intervention (1 mark)

- A. In white-collar crime cases like corruption, the higher the offender's status, the more likely the individual will not be incarcerated
 - B. In white-collar crime cases, the higher an offender's status, the more likely the individual will be convicted
 - C. In white-collar crime cases, the higher an offender's status, the more likely the individual will not be found guilty
 - D. None of the above (1 mark)
66. The evaluation and communication of internal control deficiencies in a timely manner to those parties responsible for taking corrective action is a principle related to which component of COSO's Internal Control-Integrated Framework?
- A. Control environment
 - B. Control activities
 - C. Information and communication
 - D. Monitoring (1 mark)

67. Which one of the following parties has responsibility for the oversight of the organisation's financial accounting, and audit matters?
- A. The board
 - B. The internal auditors
 - C. Management
 - D. Audit committee
- (1 mark)
68. Which one of the following is **ACCURATE** in regard to an internal control system?
- A. A strong and effective internal control system can eliminate fraud
 - B. Absence of internal controls is the major root cause of fraud
 - C. Red flags of fraud are evidence of fraud
 - D. An effective internal control system can reduce risks of fraud
- (1 mark)
69. Which one of the following is **NOT** accurate about white collar crimes?
- A. White collar defendants are less likely to enter into a guilty plea
 - B. White collar defendants are more likely to enter into a guilty plea
 - C. White collar defendants are more likely to insist on a trial
 - D. None of the above
- (1 mark)
70. The theory that tries to prevent crime by using the threat of criminal sanctions is referred to as _____.
- A. Internal controls
 - B. Deterrence
 - C. Prevention
 - D. Compliance
- (1 mark)
71. Efforts to control corporate crime generally include which of the following initiatives?
- A. Internal controls
 - B. Fraud hotlines
 - C. Positive reinforcement measure
 - D. None of the above
- (1 mark)
72. Several construction companies colluded to beat the competitive bidding process of a government entity. The bidders agreed that all the competent bidders refrain from submitting their bid and let only one of the bidders submit their bid. Which one of the following **BEST** describes the offence perpetrated by the bidders?
- A. Organisational crime
 - B. Occupational crime
 - C. Both occupational and organisational crime
 - D. White collar crime
- (1 mark)
73. According to COSO, which of the following is **NOT** accurate in regard to control environment of an organisation?
- A. It provides anti-fraud and ethics compliance policies
 - B. It provides fraud training and awareness
 - C. It provides for system to put all the controls into action
 - D. It provides for consistent disciplinary measures
- (1 mark)
74. Which one of the following statements is **ACCURATE** in regard to white-collar crime?
- A. In white-collar crime cases like corruption, the higher an offender's status, the more likely the individual will be incarcerated
 - B. In white-collar crime cases, the higher an offender's status, the more likely the individual will be convicted
 - C. In white-collar crime cases, the higher an offender's status, the more likely the individual will not be imprisoned
 - D. None of the above
- (1 mark)
75. Which one of the following is an example of a fraud preventive control?
- A. An internal audit of financial statements.
 - B. Segregation of duties between employees.
 - C. A surprise cash count by a supervisor.
 - D. Diverting cash receipts to a personal account.
- (1 mark)

76. Which one of the following statements is **NOT** accurate in regard to a corporation's board of director's responsibility for fraud and corruption management?
- A. The board of directors provide oversight over the design, implementation and monitoring of the fraud/corruption policies and strategy
 - B. The board of directors have the primary responsibility for fraud and corruption prevention
 - C. The board of directors have primary responsibility for evaluating the effectiveness of the fraud risk management program
 - D. All the above
- (1 mark)
77. An organisation's corporate culture is effectively evaluated by which of the following procedures.
- A. A statement and action from the board and management, in regard to their zero tolerance for fraudulent and corrupt activities
 - B. Conducting continuous internal audit
 - C. Establishing strong internal controls
 - D. Establishing hard controls
- (1 mark)
78. According to B. F. Skinner's behaviorist theories, destructive workplace behavior, such as fraud and corruption can be modified through which of the following?
- A. Strong internal controls
 - B. Punishment
 - C. Soft controls
 - D. Basic hard controls
- (1 mark)
79. Strategy to control corporate crime that is designed to achieve conformity with the law by providing economic incentives for voluntary compliance with the law and using administrative efforts to control violations is referred to as:
- A. Deterrence
 - B. Prevention
 - C. Detection
 - D. None of the above
- (1 mark)
80. Which one of the following is not **ACCURATE** in regard to the OECD Principles of Corporate Governance?
- A. Establishment of a substantive law, which governments should put in place to support good corporate governance practices
 - B. An emphasis on the importance of timely, accurate and transparent disclosure mechanisms
 - C. Recognition of the importance of the role of stakeholders in corporate governance
 - D. All of the above
- (1 mark)
81. Which one of the following is **NOT** an example of non-shareable financial need leg of the fraud triangle?
- A. A need to do savings
 - B. Addiction problems
 - C. Gambling debts
 - D. Personal debts
- (1 mark)
82. An organisation's ethics policy is an essential tool for fraud prevention. Which one of the following is **NOT** accurate in regard to an ethics policy?
- A. The policy should be communicated to all company employees
 - B. In developing the policy, management should consider how various members of the organisation define success.
 - C. In developing the policy, management should consider the existing ethical culture set by employees.
 - D. In developing the policy, management should consider the existing ethical tone set by management
- (1 mark)
83. Elias, a Certified Forensic Fraud Examiner, conducted a fraud examination at ABC Corporation where Lucy is a suspect of embezzlement of money. Elias later found out that Lucy is working for XYZ Corp, another client of his. Under most of the anti-fraud and other professional bodies' Code of Professional Ethics, what should Elias do?
- A. Elias should report the matter to the XYZ Corp board
 - B. Elias should report the matter to the XYZ Corp management
 - C. Elias should report the matter to the police
 - D. Elias should not inform XYZ company
- (1 mark)

84. All Professional organisations have codes of ethics. Which one of the following is **NOT** a purpose for the code of ethics for professional ethics?
- A. Provide more specific solutions to professional ethical dilemmas, that might not be found under general ethical principles

- A. The effectiveness and efficiency of the organisation's operations
 - B. The financial reporting
 - C. The organisation's compliance with the laws and regulations.
 - D. None of the above
- (1 mark)
13. Which of the following is **NOT** a core principle of sound corporate governance?
- A. Fairness
 - B. Responsibility
 - C. Transparency
 - D. None of the above
- (1 mark)
14. Which of the following parties has responsibility for the oversight of the organisation's financial, accounting, and audit matters?
- A. The Chief Finance Officer
 - B. The audit committee
 - C. The external auditors
 - D. The board
- (1 mark)

15. Which of the following is **NOT** accurate in regard to fraud?
- A. A strong control is not necessarily effective
 - B. Absence of internal controls is the main root cause of fraud
 - C. Red flags and risks of fraud are not evidence of fraud
 - D. An effective internal control system can reduce incidences of fraud
- (1 mark)
16. Which of the following is **ACCURATE** in regard to white-collar offences?
- A. White-collar case evidence is usually overwhelming
 - B. White collar defendants are less likely to insist on a trial
 - C. White collar defendants are more likely to be jailed
 - D. None of the above
- (1 mark)
17. The theory that tries to prevent crime by using the threat of criminal sanctions is referred to as _____.
- A. Prevention
 - B. Response
 - C. Compliance
 - D. None of the above
- (1 mark)
18. Which of the following is an effort to control corporate crime?
- A. Compliance and deterrence
 - B. Fraud hotlines
 - C. Involuntary changes in corporate culture
 - D. None of the above
- (1 mark)

- (1 mark)
64. Which of the following factors should an organisation **NOT** consider when designing the components of its compliance and ethics program?
- A. The effectiveness of the internal controls
 - B. Law and regulatory environment
 - C. Culture of the organisation
 - D. Industry size and standards
- (1 mark)
65. Which of the following is **NOT** a principle involved in the risk assessment process as laid out by COSO?
- A. Conducting ongoing monitoring of the risk management strategy
 - B. Assessing changes that could significantly impact the internal control system
 - C. Setting clear organisational objectives
 - D. Identifying risks of fraud
- (1 mark)
66. COSO identified five components that must be integrated into which of the following?
- A. Compliance program
 - B. Ethics program
 - C. Anti-fraud policy
 - D. Internal control system
- (1 mark)
67. Which of the following is **NOT** a COSO interrelated component of a company's internal control system?
- A. Fraud risk oversight
 - B. Risk assessment
 - C. Governance and culture
 - D. None of the above
- (1 mark)
68. Which of the following element is **NOT** desirable for a corporate compliance program?
- A. Due diligence in the hiring process
 - B. Appropriate incentives for compliance with the program
 - C. Continuous evaluation of the compliance program
 - D. None of the above
- (1 mark)

69. Which of the following control helps to mitigate the risk of rationalisation?
A. Fraud awareness training
B. Proactive audit procedures
C. Surprise audits
D. None of the above (1 mark)
70. Which of the following is **NOT** a proactive fraud detection activity?
A. Annual analytical review procedures
B. Regular fraud assessment questioning
C. Fraud audits
D. None of the above (1 mark)
71. Which of the following is a criteria of fraud prevention health check-up that is related to the extent to which the board of directors have taken up their responsibility for fraud?
A. Fraud risk ownership
B. Fraud risk tolerance
C. Fraud risk assessment
D. Fraud risk oversight (1 mark)
72. Which of the following is **NOT** a component of a comprehensive ethics program?
A. Focus on ethical leadership
B. Vision statement
C. Values statement
D. Internal control system (1 mark)
73. Which of the following is **NOT** a desirable component of a comprehensive ethics program?
A. A designated ethics official
B. Ethics task force or committee
C. Ethics communication and training
D. None of the above (1 mark)
74. Which of the following is **NOT** a responsibility for the internal auditor while conducting an audit engagement?
A. To design and make recommendations for internal controls
B. Evaluate whether management is actively retaining responsibility for oversight of the fraud risk management program
C. Consider fraud risks in the assessment of internal control design and determination of audit steps to perform
D. None of the above (1 mark)
75. The commission formed in 1985 with the purpose of defining the auditor's responsibility for preventing and detecting fraudulent financial reporting is known as:
A. COSO Commission
B. Sarbanes Oxley
C. International securities Commission
D. The Treadway Commission (1 mark)
76. Which of the following is **NOT** good corporate governance practice?
A. Define the relationships and expectations of the parties involved

- (1 mark)
91. Which of the following fraud awareness matters should **NOT** be covered in employee anti-fraud training?
- A. An explanation of how management is going to respond to fraud allegation
 - B. An explanation of the company's anti-fraud controls
 - C. The exact procedures management uses to detect fraud
 - D. None of the above
- (1 mark)
92. Lack of adequate oversight over management, a complex organisational structure and deficient internal control components are all examples of which type of fraud risk factor?
- A. Rationalisation
 - B. Pressure
 - C. Collusion
 - D. None of the above
- (1 mark)
93. Which of the following party is responsible for fraud prevention in an organisation?
- A. Management
 - B. Internal auditors
 - C. All levels of personnel
 - D. Board of Directors
- (1 mark)
94. Which of the following statements is **ACCURATE** according to the differential reinforcement theory?
- A. Behaviour is weakened by positive stimuli
 - B. Behaviour is weakened when punishment is avoided
 - C. Behaviour is reinforced when punishment is avoided
 - D. None of the above
- (1 mark)
95. Which of the following is **NOT** an effective method of increasing the perception of detection?
- A. Requiring strong management oversight
 - B. Forcing employees to take time off
 - C. Conducting surprise audits
 - D. Conducting fraud risk assessment
- (1 mark)

96. Which of the following is **NOT** a principle pertaining to the information and communication component of the COSO's Internal Control – Integrated Framework?
- A. The organisation communicates information, including objectives and responsibilities for internal control, necessary to support the functioning of internal control internally
 - B. The organisation puts in place control activities to enforce the other controls
 - C. The organisation obtains or generate, and uses relevant, quality information to support the functioning of internal control
 - D. None of the above
- (1 mark)
97. Which of the following statements is **NOT** accurate in regard to the role of human resource in fraud prevention?
- A. HR has responsibility to assess and maintain high level of morale, which is a fraud prevention measure
 - B. HR has responsibility to monitor employee's morale, through observation, survey and open-door policy
 - C. HR does not have a responsibility for fraud prevention
 - D. None of the above
- (1 mark)
98. Which of the following is **NOT** a measure that employers can put in place to mitigate fraud risks associated with employees' frustrations?
- A. Career development opportunities
 - B. Special events for employees
 - C. Support programs for, alcohol, drugs abuse
 - D. Training and awareness
- (1 mark)
99. The IOSCO Principles for Auditor Oversight, effective oversight of the auditing profession, does **NOT** include which of the following principles?
- A. The mechanism does not require auditors to be subject to the discipline of an auditor oversight body that is independent of the audit profession
 - B. A mechanism to require that auditors have proper qualifications and competency
 - C. A mechanism to require that auditors are independent of the enterprises that they audit
 - D. All of the above
- (1 mark)
100. Which of the following statements is **NOT** accurate in regard to internal controls related to fraud risks?
- A. A strong internal control system is effective in managing fraud risks
 - B. A strong internal control system is not effective in managing fraud risks
 - C. A strong internal control system must be integrated with positive reinforcement the controls to be effective in managing fraud risks
 - D. None of the above
- (1 mark)
-

CERTIFIED FORENSIC FRAUD EXAMINER (CFFE)

MODULE THREE

FRAUD PREVENTION AND DETECTION

MONDAY: 24 April 2023. Morning Paper.

Time Allowed: 3 hours.

Answer ALL the questions by indicating the letter (A, B, C or D) that represents the correct answer. This paper is made up of one hundred (100) Multiple Choice Questions. Each question is allocated one (1) mark.

1. Anti-fraud/corruption professionals believe that, increasing the perception of detection is the most effective method of fraud/corruption prevention. Which of the following statement is **NOT** accurate in regard to increasing perception of detection?
 - A. To increase the perception of detection, parties in the organisation should not be made aware that the organisation would conduct surprise audits
 - B. To increase the perception of detection, parties in the organisation should be made aware that the organisation could conduct surprise audits
 - C. A surprise audit is a proactive fraud prevention activity that helps to increase the perception of detection
 - D. A surprise audit is a positive reinforcement measure, that helps to increase the perception of detection
2. Fraud Prevention Health Check-up is an inexpensive tool that can be used to evaluate an organisation's fraud prevention health. Which of the following **BEST** describes the component that creates a foundation for the internal control system?
 - A. Proactive detection
 - B. Risk ownership
 - C. Environmental anti-fraud controls
 - D. Fraud Risk tolerance and risk management
3. According to B. F. Skinner, positive reinforcement measures are the most effective measures of modifying behavior. Which of the following **BEST** describes positive reinforcement measures?
 - A. Positive reinforcement measures enhance the internal controls
 - B. Preventive and detective controls are examples of positive reinforcement measures
 - C. Positive reinforcement measures are examples of weak controls
 - D. None of the above

 - A. A Certified Forensic Fraud Examiner cannot accept an assignment where he/she has a major interest
 - B. A Certified Forensic Fraud examiner must be an accountant to qualify to conduct a forensic audit assignment
 - C. A Certified Forensic Fraud Examiner must be a law enforcement officer
 - D. None of the above

6. Which of the following statements is **NOT** accurate in regard to the external auditor's responsibility for fraud?
- A. International Standard on Auditing ISA 240, has put express responsibility on the auditor to detect fraud in the course of auditing financial statements
 - B. Auditors have a responsibility to identify fraud risks
 - C. Auditors have no responsibility to identify fraud risks
 - D. None of the above
7. Which of the following does **NOT** describe the pressure leg of the fraud triangle?
- A. "I am in a financial crisis"
 - B. "I need money to repay my debts"
 - C. "Possibility of detection is very high"
 - D. "I have an emergency, I have no other way to solve the problem"
8. According to International Standard on Auditing (ISA) 240, the auditor is only concerned with fraud that:
- A. Is perpetrated by management and not employees
 - B. Perpetrated through collusion
 - C. Causes material misstatement in the financial statements
 - D. None of the above
9. Silk and Vogel found that businesses rationalise illegal or noncompliant conduct. Which of the following statements is **NOT** a justification made by the businesses for their behavior?
- A. The purpose for violations is retaining jobs
 - B. Compliance with government regulations is too expensive
 - C. The damage is diffused among a large number of parties
 - D. None of the above
10. According to COSO, an internal control system should be designed to provide reasonable assurance in the achievement of the organisation's objectives. Which of the following is **NOT** one of the objectives?
- A. The effectiveness and efficiency of the organisation's operations
 - B. The financial reporting
 - C. The organisation's compliance with the laws and regulations.
 - D. None of the above
11. Which of the following is a core principle of sound corporate governance?
- A. Risk management
 - B. Fairness
 - C. Internal control
 - D. None of the above
12. Which of the following parties is responsible for providing oversight over the design and implementation of the organisation's fraud prevention program?
- A. The Management
 - B. The internal auditors
 - C. The audit and risk committee
 - D. None of the above
13. Which of the following parties is responsible for the design, implementation and monitoring of the effectiveness of the fraud prevention program?
- A. Internal auditor
 - B. External auditor
 - C. Management
 - D. Compliance function
14. Which of the following statements is **ACCURATE** in regard to internal control system?
- A. An effective internal control system can eliminate fraud
 - B. Absence of internal controls is the major root cause of fraud
 - C. Red flags and risks of fraud are evidence of fraud
 - D. None of the above

15. Which of the following is **NOT** correct in regard to white collar offenders?
- A. White collar defendants are less likely to plead guilty
 - B. White collar defendants are more likely to plead guilty
 - C. White collar defendants are more likely to be jailed
 - D. All the above
16. Which of the following theory **BEST** describes the use of threat of criminal sanctions?
- A. Prevention
 - B. Detection
 - C. Compliance
 - D. None of the above
17. Which of the following party in an organisation has responsibility for providing the first line of defence against fraud and corruption?
- A. Internal auditor
 - B. Risk manager
 - C. Compliance manager
 - D. Line Manager
18. Organisations should make efforts to control corporate crime. Which of the following is an example of an approach that they should include?
- A. Internal audit
 - B. Fraud hotlines
 - C. Voluntary changes in corporate attitudes
 - D. All of the above
19. The directors of ABC Company decided to inflate the company's revenue, and conceal expenditure, to show that the company has met the profit targets. Which of the following **BEST** describes the type of crime perpetrated by the directors?
- A. Organisational crime
 - B. Occupational crime
 - C. Both occupational and organisational crime
 - D. None of the above
20. According to COSO, which of the following is **NOT** accurate in regard to the control environment of an organisation?
- A. It provides a foundation for all other controls
 - B. Sets the moral and ethical tone of the organisation
 - C. It provides for control activities which put other controls in action
 - D. None of the above
21. Which of the following statements is **NOT** accurate in regard to white-collar crime?
- A. In white-collar crime cases like bribery, the higher the offender's status, the more likely the individual will be imprisoned
 - B. In white-collar crime cases, the higher an offender's status, the more likely the individual will be convicted
 - C. In white-collar crime cases, the higher an offender's status, the more likely the individual will not be acquitted
 - D. None of the above
22. The evaluation and communication of internal control deficiencies in a timely manner to those parties responsible for taking corrective action is a principle related to which component of COSO's Internal Control-Integrated Framework?
- A. Control Environment
 - B. Control activities
 - C. Information and communication
 - D. None of the above

23. Which of the following is **NOT** accurate in regard to a corporation's board of directors?
- A. The director's responsibility is to represent only the shareholders
 - B. The directors are generally elected by the company stakeholders
 - C. The directors provide oversight over business operations by assessing the strategy and underlying purpose of management's decisions and actions
 - D. The directors provide management over business operations by assessing the strategy and underlying purpose of management's decisions and actions
24. Which of the following is considered the most common fraud detection method?
- A. Internal audit
 - B. External audit
 - C. Management review
 - D. None of the above
25. Which of the following is **NOT** a measure that can be used to evaluate an organisation's corporate culture effectively?
- A. Statements from the board and management in regard to their zero tolerance for fraud
 - B. Management's diligence in putting in place procedures to manage fraud risks
 - C. Management's consistent disciplinary measures
 - D. None of the above

- A. Conduct interviews of the entity's management only, to obtain clear and accurate views on the risks of fraud
 - B. Examine any unusual or unexpected relationships identified through analytical procedures
 - C. Consider whether the information obtained from the risk assessment procedures indicates that fraud risk factors are present
 - D. None of the above
41. Which of the following is **NOT** accurate in regard to occupational fraud?
- A. Most embezzlers are repeat offenders
 - B. Most of the occupational offenders are first offenders
 - C. Most of the occupational offenders do not have prior criminal records
 - D. None of the above
42. The primary responsibility for evaluating the effectiveness of the compliance program rests with which of the following parties?
- A. Internal Auditor
 - B. Management
 - C. Board of Directors
 - D. Compliance Officer
43. Which of the following is **NOT** a detective anti-fraud control?
- A. Continuous audit techniques
 - B. Fraud training and awareness
 - C. Analytical data review
 - D. None of the above
44. Preventive anti-fraud controls include all the following **EXCEPT**?
- A. Analytical data reviews
 - B. Fraud awareness training
 - C. Hiring policies
 - D. Segregation of duties
45. If an employee perceives high detection, he or she would be demotivated from committing fraud. Which of the following procedures would discourage individuals in an organisation from engaging in fraudulent and corrupt activities?
- A. Proactive forensic audits
 - B. Regular forensic audits
 - C. An anti-fraud policy
 - D. All the above
46. Which of the following statements is **ACCURATE** in regard to an effective internal control system?
- A. Well-designed and implemented internal control system is effective in fraud prevention
 - B. An effective internal control system must be well-designed, implemented, and enforced
 - C. An effective internal control system must be well-designed, implemented and well enhanced
 - D. All the above
47. Which of the following is **ACCURATE** in regard to fraud prevention?
- A. Fraud prevention is made up of a set of rules and procedures which in their aggregate encourage and discourage potential fraudster in engage in fraud
 - B. Fraud prevention is a process that provides reasonable assurance with regard to fraud prevention and detection
 - C. A thorough fraud prevention control system can eliminate fraud
 - D. All the above

48. Which of the following is the primary foundation for the INTOSAI professional framework for auditing in the public sector?
- A. The call for supreme audit institutions to develop their own independence standards
 - B. The call to keep government auditors employed by the organisations that they audit.
 - C. The call for supreme audit institutions to influence industry regulations
 - D. The call for legislated independence of government auditing institutions
49. Which of the following statement is **NOT** accurate in regard to employees' loyalty?
- A. According to Diane Vaughan, an employee who is truly loyal to a company can perpetrate fraud on behalf of the organisation
 - B. According to Diane Vaughan, an employee who is truly loyal to a company cannot perpetrate fraud on behalf of the organisation
 - C. According to Diane Vaughan, an employee who is truly loyal to a company can perpetrate fraud against the organisation.
 - D. All the above
50. According to ISA 240, the auditor's assessment of the risk of material misstatement due to fraud at the financial statement level should **NOT** have an effect on which of the following aspect(s) of an audit?
- A. Selection of auditing tests and procedures
 - B. Assignment and supervision of personnel
 - C. Consideration of accounting principles applied
 - D. None of the above
51. Which of the following is **ACCURATE** in regard to the objectives of good corporate governance?
- A. Enhance the accuracy and reliability of the organisation's financial reports
 - B. Detect financial misstatements, whether caused by errors or fraud
 - C. Provide reasonable assurance regarding the organisation's compliance with applicable laws and regulations
 - D. None of the above
52. According to the authors of *Crimes of the Middle Classes*, which of the following factors is **NOT** accurate in regard to the rising problem of economic crime?
- A. The economy's increased reliance on credit
 - B. The increased opportunity for wrongdoing facilitated by advanced information technology
 - C. The continued pressures of a culture that rewards affluence and success
 - D. None of the above
53. An employee anti-fraud training should include which of the following elements?
- A. A detailed information on how the organisation will be responding on each
 - B. A detailed information of the organisation's anti-fraud controls
 - C. A detailed information of the procedures management will use to detect fraud
 - D. None of the above
54. Which of the factors does **NOT** affect employees' ethical decisions?
- A. Tension between personal standards and organisational needs
 - B. Industry and organisational ethical codes
 - C. The law and other government regulations
 - D. None of the above
55. Which of the following fraud risk is associated with inadequate oversight over management, in financial reporting?
- A. Rationalisation
 - B. Perceived situational pressure
 - C. Pressures/incentives
 - D. Opportunity
56. Which of the following parties is responsible for assisting management in fraud risk management within an organisation?
- A. Risk Management Officer
 - B. Management
 - C. Board of Directors
 - D. All the above

57. According to COSO, the effectiveness of the internal control system can be evaluated by assessing whether the five components of the COSO internal control integrated framework are in place and functioning effectively, and operating together in an integrated manner. Which of the following is **NOT** one of the components?
- A. Control environment
 - B. Fraud risk governance
 - C. Information and communication
 - D. Control Activities
58. Which of the following is **NOT** important for a company, to consider in regard to establishment of a document retention policy?
- A. Specific rules for documenting and retaining records
 - B. Specific requirements related to electronic documents
 - C. Laws and regulations regarding recordkeeping requirements
 - D. None of the above
59. Which of the following statement is **NOT** correct in regard to fraud examination and integrity?
- A. Fraud examination require independence of mental attitude and avoidance of conflict of interest
 - B. Fraud examination require subordination of desires for personal gain to the interests of clients, employers and the public
 - C. Fraud examination require ability to analyse situations where there are no professional rules applicable and determine right from wrong
 - D. None of the above
60. Which of the following is **NOT** in the IOSCO Principles for Auditor Oversight in regard to audit?
- A. The oversight should be performed by a body that acts and is seen to act in the interest of the client
 - B. The oversight involves a regular review process designed to ascertain whether audit firms adhere to quality control policies and procedures
 - C. The oversight should take place within the audit firm, by professional associates, and through government regulation
 - D. All of the above
61. According to The Institute of Internal Auditors' International Standards for the Professional Practice of Internal Auditing, the internal audit team must **NOT** do which one of the following?
- A. Evaluate the risks of fraud
 - B. Identify red flags of fraud
 - C. Evaluate the fraud risk management initiatives
 - D. Conduct a fraud investigation alongside an audit engagement
62. The IOSCO Principles for Auditor Oversight, effective oversight of the auditing profession does **NOT** include which one of the following principles?
- A. The mechanism does not require auditors to be subject to the discipline of an auditor oversight body that is independent of the audit profession
 - B. A mechanism to require that auditors have proper qualifications and competency
 - C. A mechanism to require that auditors are independent of the enterprises that they audit
 - D. All of the above
63. Which of the following **BEST** describes the rationalisation leg of the fraud triangle?
- A. "Management is taking big kickbacks, mine is just a token of appreciation"
 - B. "I need money to pay for my up keep"
 - C. "Possibility of detection is very low or none"
 - D. "I have an emergency I have no other way to solve the problem"
64. Which of the following **BEST** describes the opportunity leg of the fraud triangle?
- A. "Management and the board are engaging in a conflict of interest, so it is okay"
 - B. "I need money for an emergency"
 - C. "I can override the controls"
 - D. "I have an emergency I have no other way to solve the problem"

65. Which of the following **BEST** describes situational pressure due to unrealistic targets?
- A. "Management and the board are taking kickbacks, so it cannot be that bad"
 - B. "I need money to pay my debts"
 - C. "We have not met the revenue targets; we must make the figures meet the targets"
 - D. "I have an emergency and I have no other way of solving the problem"
66. Which of the following factors should an organisation **NOT** consider when designing the components of its compliance and ethics program?
- A. Law and regulatory environment
 - B. Recurrence of similar conduct
 - C. Industry size and standards
 - D. None of the above
67. Which of the following is **NOT** one of the principles involved in the risk assessment process, as laid out by COSO?
- A. Conducting ongoing monitoring of the risk management strategy
 - B. Assessing changes that could significantly impact the internal control system
 - C. Setting clear organisational objectives
 - D. Identifying risks of fraud
68. COSO identified five components that must be integrated into which of the following?
- A. Compliance program
 - B. Ethics program
 - C. Anti-fraud policy
 - D. None of the above
69. Which of the following is **NOT** one of the COSO interrelated components of a company's internal control system?
- A. Fraud risk oversight
 - B. Risk assessment
 - C. Fraud risk governance
 - D. None of the above
70. Which of the following elements is **NOT** desirable for a corporate compliance program to be effective?
- A. Due diligence in the hiring process
 - B. Appropriate incentives for compliance with the program
 - C. Continuous evaluation of the compliance program
 - D. None of the above
71. Which of the following controls **CANNOT** help to mitigate the risk of rationalisation?
- A. Fraud awareness training
 - B. Employees support program
 - C. Proactive audit procedures
 - D. None of the above
72. Which of the following is **NOT** a proactive fraud detection activity?
- A. Regular analytical review procedures
 - B. Regular fraud assessment questioning
 - C. Training and awareness
 - D. None of the above
73. Which of the following is a criteria of fraud prevention health check-up, that is related to the extent that the board of directors are providing oversight over fraud risk management?
- A. Fraud risk ownership
 - B. Fraud risk tolerance
 - C. Fraud risk assessment
 - D. None of the above

74. Which of the following is **NOT** a component of a comprehensive ethics program?
- A. Focus on ethical leadership
 - B. Vision statement
 - C. Values statement
 - D. None of the above
75. Which of the following is **NOT** a desirable component of a comprehensive ethics program?
- A. A designated Ethics official
 - B. Ethics task force or committee
 - C. Ethics communication and training
 - D. None of the above
76. Which of the following is **NOT** a responsibility for the internal auditor while conducting an audit engagement?
- A. Conduct further investigation alongside the audit
 - B. Evaluate whether management is actively retaining responsibility for oversight of the fraud risk management program
 - C. Consider fraud risks in the assessment of internal control design and determination of audit steps to perform
 - D. None of the above
77. The commission formed in 1985 with the purpose of defining the auditor's responsibility for preventing and detecting fraud is known as:
- A. COSO Commission
 - B. Sarbanes Oxley
 - C. International securities commission
 - D. None of the above
78. Which of the following is **NOT** good corporate governance practice?
- A. Define the relationships and expectations of the parties involved
 - B. Provide clear lines of accountability and reporting
 - C. Ensure that a few individuals are not capable of making all the business decisions without influence, input or approval of other parties.
 - D. None of the above
79. Which of the following is **NOT** correct in regard to Good corporate governance framework?
- A. It is flexible
 - B. Is appropriate for the organisation's legal and regulatory environment
 - C. Takes into account the organisation's cultural and ethical environment
 - D. None of the above
80. Which of the following statements is **ACCURATE** in regard to OECD principles of Corporate Governance?
- A. The OECD Principles of Corporate Governance support establishing stronger protection for foreign shareholders than domestic shareholders
 - B. The OECD Principles of Corporate Governance support establishing stronger protection for domestic shareholders than foreign shareholders
 - C. The OECD Principles of Corporate Governance support equitable treatment for all shareholders
 - D. None of the above
81. According to the OECD Principles of Corporate Governance on an entity's corporate governance framework, which of the following is **NOT** accurate?
- A. Ensure proportionate treatment of all shareholders, including minority and foreign shareholders
 - B. Encourage active cooperation between corporations and stakeholders in creating wealth and jobs

 - D. None of the above
82. Which of the following party is responsible for holding the board of directors accountable for the shareholder's resources?
- A. The external auditor
 - B. The chairman of the board
 - C. Executive management
 - D. None of the above

83. Which of the following is **NOT** a recommendation of the Treadway Commission to the audit committee to prevent financial statement fraud?
- A. To have written charter for the audit committee
 - B. To be informed and vigilant
 - C. To have adequate resources and authority
 - D. None of the above
84. Which of the following parties is responsible for directing employees to carry out business activities and managing their performance of those tasks?
- A. Shareholders
 - B. External auditors
 - C. The board of directors
 - D. Management
85. Effective corporate governance practices are desirable for any organisation. Which of the following organisations must have effective corporate governance practices?
- A. A limited partnership
 - B. A sole proprietor enterprise
 - C. A public company
 - D. A general partnership enterprise
86. Which of the following **BEST** describes oversight responsibilities of different parties for an organisation's direction, operations and performance?
- A. Risk management
 - B. Risk governance
 - C. Corporate compliance
 - D. None of the above
87. Which of the following **BEST** describes the principle related to clarity, accuracy, completeness, and timeliness of the financial statements and other information provided by management to shareholders?
- A. Fairness
 - B. Accountability
 - C. Responsibility
 - D. None of the above
88. Which of the following is the **MOST** effective method of fraud prevention?
- A. Putting detective controls in place
 - B. Putting strong controls in place
 - C. Putting preventive controls in place
 - D. All the above
89. Which of the following statement **BEST** describes reengineering of controls?
- A. Reengineering of controls involves enhancing the controls
 - B. Reengineering of controls involves enforcing the controls
 - C. Reengineering of controls involves compromising controls
 - D. Reengineering of controls is an art or reorganising the existing controls
90. Which of the following is **NOT** a control environment principle of the COSO that supports the design and implementation of an effective control environment?
- A. Personnel at all levels demonstrate commitment to integrity and ethical values
 - B. Board should be independent of management and oversee the design and implementation of the internal control
 - C. Organisation holds individuals accountable of internal controls
 - D. None of the above
91. Which of the following is **NOT** a fraud risk assessment principle of the COSO?
- A. The organisation sets clear objectives to enable the identification and assessment of risks relating to the objectives
 - B. The organisation identifies risks to the achievement of the objectives
 - C. The organisation identifies changes that would significantly impact the system of internal controls
 - D. None of the above

92. Which of the following is among the board's responsibilities for fraud risk management?
- A. Design and implementation of controls to mitigate the risks
 - B. Monitoring and proactively improving the fraud risk management programme
 - C. Performing and regularly updating the fraud risk assessment
 - D. None of the above
93. Which of the following topics should be covered in employee anti-fraud training?
- A. A detailed explanation of how management is going to respond to fraud allegation
 - B. A detailed explanation of the company's anti-fraud controls
 - C. The exact procedures management uses to detect fraud
 - D. None of the above
94. Inadequate oversight of management, a complex organisational structure, and deficient internal control components are all examples of which type of fraud risk factor relating to fraudulent financial reporting?
- A. Rationalisation
 - B. Pressure
 - C. Opportunity
 - D. Collusion
95. Which of the following parties is responsible for fraud prevention in an organisation?
- A. Internal auditors
 - B. External auditors
 - C. All levels of personnel
 - D. Board of Directors
96. Which of the following statements is **ACCURATE** according to the differential reinforcement theory?
- A. Behaviour is weakened by positive stimuli
 - B. Behaviour is weakened when punishment is avoided
 - C. Behaviour is reinforced when punishment is applied
 - D. None of the above
97. Which of the following is **NOT** an effective method of increasing the perception of detection?
- A. Requiring strong management oversight
 - B. Forcing employees to take time off
 - C. Conducting surprise audits
 - D. Conducting forensic audits
98. Which of the following is **NOT** a principle pertaining to the information and communication component of the COSO's Internal Control - Integrated Framework?
- A. The organisation communicates information, including objectives and responsibilities for internal control, necessary to support the functioning of internal control internally
 - B. The organisation puts in place control activities to enforce the other controls
 - C. The organisation obtains or generate and uses relevant, quality information to support the functioning of internal control
 - D. None of the above
99. Which of the following statements is **NOT** accurate in regard to the role of HR in fraud prevention?
- A. HR has responsibility to assess and maintain high level of morale, which is a fraud prevention measure
 - B. HR has responsibility to monitor employee's morale, through observation, survey and open-door policy
 - C. HR can support fraud risk assessments
 - D. None of the above
100. Which of the following is **NOT** a measure that employers can put in place to mitigate fraud risks associated with employees' frustrations?
- A. Career development opportunities
 - B. Special events for employees
 - C. Support programs for, alcohol, drugs abuse
 - D. None of the above
-

CERTIFIED FORENSIC FRAUD EXAMINER (CFFE)

MODULE THREE

FRAUD PREVENTION AND DETECTION

MONDAY: 5 December 2022. Morning Paper.

Time Allowed: 3 hours.

Answer ALL the questions by indicating the letter (A, B, C or D) that represents the correct answer. This paper is made up of one hundred (100) Multiple Choice Questions. Each question is allocated one (1) mark.

1. Which of the following parties has the ultimate responsibility for an organisation's fraud detection and prevention initiatives?
 - A. Board of directors
 - B. In-house legal counsel
 - C. Management
 - D. Risk consultant
2. According to B F Skinner, positive reinforcement measures are the most effective measures of modifying behaviour. Which of the following **BEST** describes positive reinforcement measures?
 - A. Positive reinforcement measures are examples of strong controls
 - B. Positive reinforcement measures are examples of soft control
 - C. Positive reinforcement measures are examples of weak controls
 - D. Positive reinforcement are not associated with controls
3. Which of the following should management **NOT** do to create an anti-fraud culture?
 - A. Develop a code of ethics and compliance policies for employees only
 - B. Demonstrate zero tolerance for fraud and unethical behaviour
 - C. Create an open-door policy environment
 - D. Develop an anti-fraud policy
4. Which of the following is **TRUE** in regard to assignments and Certified Forensic Fraud Examiners?
 - A. A Certified Forensic Fraud Examiner can accept an assignment where he/she has a major interest
 - B. A Forensic Fraud Examiner, cannot accept an assignment where he/she has a major interest
 - C. A Certified Forensic Fraud must be an accountant to conduct a forensic audit assignment
 - D. None of the above
5. Read the following statements:
 - I. Some organisations are immune to fraud
 - II. Employees are encouraged to come forward and report suspected fraud
 - III. The employee's identity must be disclosed
 - IV. The report need not be made to the employee's manager or supervisor

Which of the above statements with regard to employees' reporting program is **TRUE**?

- A. I, II, III and IV
- B. II and III
- C. I, II, and IV

- D. II and IV
6. According to the 2022 Report to the Nations, fraud professionals estimate that organisations lose what percentage of their revenues to fraud and abuse each year?
- A. 10 %
 - B. 2%
 - C. 4%
 - D. 5%
7. Among the parties listed below, who plays a critical role in enhancing the reliability of financial information by attesting as to whether the financial statements present a fair position?
- A. Members of the Board of Directors
 - B. Internal auditors
 - C. Government regulators
 - D. External auditors
8. Which of the following **BEST** describes the rationalisation leg of the fraud triangle?
- A. "Management is perpetrating fraud, so it cannot be that bad"
 - B. "I need money to repay my debts"
 - C. "Possibility of detection is very low or none"
 - D. "I have an emergency, I have no other way to solve the problem"
9. Law and morals differ in that not everything that is immoral is illegal. Therefore, the lowest level of reference for making moral or ethical decisions is:
- A. Individual ethics and morals
 - B. Philosophical principles
 - C. The law
 - D. Philosophy of criminology
10. According to International Standard on Auditing (ISA) 240, the auditor is only concerned with fraud that:
- A. Is perpetrated by management and not employees
 - B. Perpetrated through collusion
 - C. Causes immaterial misstatement in the financial statements
 - D. None of the above
11. Which of the following is **NOT** one of the ways that businesses rationalise illegal or noncompliant conduct?
- A. Violations is for retaining job security
 - B. Compliance with government regulations is not expensive
 - C. The damage done by violations is diffused among a large number of parties
 - D. All of the above
12. According to COSO, an internal control system should be designed to provide reasonable assurance regarding the achievement of the organisation's objectives. Which of the following is **NOT** one of the objectives?
- A. The effectiveness and efficiency of the organisation's operations
 - B. The financial performance growth and nonfinancial information to the users of the information
 - C. The organisation's compliance with the laws and regulations.
 - D. All of the above
13. Which of the following is **NOT** one of the core principles of sound corporate governance?
- A. Accountability
 - B. Fairness
 - C. Compliance

- D. Transparency
14. Of the following parties, who has responsibility for the oversight of the organisation's financial, accounting, and audit matters?
- A. The Chief Finance Officer
 - B. The internal auditors
 - C. The external auditors
 - D. None of the above
15. Which of the following is **TRUE** about fraud?
- A. A strong and effective internal control system can eliminate fraud
 - B. Absence of internal controls is the major root cause of fraud
 - C. Red flags and risks of fraud are evidence of fraud
 - D. An effective internal control system can reduce incidences of fraud
16. Which of the following is **TRUE** about white collar offences?
- A. White-collar case evidence is usually overwhelming
 - B. White collar defendants are less likely to insist on a trial
 - C. White collar defendants are more likely to insist on a trial
 - D. None of the above
17. The theory that tries to prevent crime by using the threat of criminal sanctions is referred to as:
- A. Prevention
 - B. Deterrence
 - C. Punishment
 - D. Compliance
18. Efforts to control corporate crime generally include which of the following approaches?
- A. Internal control
 - B. Fraud hotlines
 - C. Voluntary changes in corporate attitudes
 - D. All of the above
19. Several construction companies colluded to rig bids. They agreed that all the competent bidders refrain from submitting their bid and let only one of the bidders bid. Which of the following is the crime perpetrated by the bidders?
- A. Organisational crime
 - B. Occupational crime
 - C. Both occupational and organisational crime
 - D. None of the above
20. According to COSO, which of the following is **NOT** correct about the control environment of an organisation?
- A. It provides a foundation for all other controls
 - B. Sets the moral and ethical tone of the organization
 - C. It provides for identification of the organization's fraud risks
 - D. All of the above
21. Which of the following statements is **TRUE** with regard to white-collar crime?
- A. In white-collar crime cases like corruption, the higher an offender's status, the more likely the individual will be imprisoned
 - B. In white-collar crime cases, the higher an offender's status, the more likely the individual will be convicted
 - C. In white-collar crime cases, the higher an offender's status, the more likely the individual will not be imprisoned
 - D. None of the above

22. The evaluation and communication of internal control deficiencies in a timely manner to those parties responsible for taking corrective action is a principle related to which component of COSO's Internal Control-Integrated Framework?
- A. Risk assessment
 - B. Monitoring
 - C. Control activities
 - D. Information and communication
23. Which of the following is **TRUE** with regard to a corporation's board of directors?
- A. The directors represent only the shareholders
 - B. The directors are generally elected by the company stakeholders
 - C. The directors provide oversight over business operations by assessing the strategy and underlying purpose of management's decisions and actions
 - D. The directors provide management over business operations by assessing the strategy and underlying purpose of management's decisions and actions
24. Which of the following is the most common fraud detection method?
- A. Internal audit
 - B. External audit
 - C. Management review
 - D. Tip
25. An organisation's corporate culture is effectively evaluated by which of the following procedures
- A. Statements from the board and management in regard to their zero tolerance for fraud
 - B. Conducting external audits
 - C. Internal controls
 - D. None of the above
26. According to B. F. Skinner's behaviorist theories, destructive workplace behavior, such as fraud and corruption can be modified through which of the following?
- A. Strong internal controls
 - B. Punishment
 - C. Soft controls
 - D. Hard internal controls
27. A strategy to control corporate crime that is designed to achieve conformity with the law by providing economic incentives for voluntary compliance with the law and using administrative efforts to control violations is referred to as:
- A. Deterrence
 - B. Compliance
 - C. Prevention
 - D. Detection
28. Which of the following is not **CORRECT** in regard to the OECD Principles of Corporate Governance?
- A. Establishment of a law, where governments should put in place an appropriate framework to support good corporate governance practices
 - B. An emphasis on the importance of timely, accurate, and transparent disclosure mechanisms
 - C. Recognition of the importance of the role of stakeholders in corporate governance
 - D. All of the above
29. Which of the following is **NOT** one of the examples of the non-shareable financial need leg of the fraud triangle?
- A. A need to buy a house
 - B. Addiction problems
 - C. Gambling debts
 - D. All of the above

30. An organisation's ethics policy is an essential tool for fraud prevention. Which of the following is **NOT** correct in regard to an ethics policy?
- A. Access to the policy should be communicated to all company employees
 - B. In developing the policy, management should consider how various members of the organisation define success.
 - C. In developing the policy, management should consider the existing ethical tone set by employees.
 - D. All the above
31. PK, a Certified Forensic Fraud Examiner, conducted a fraud examination at ABC Ltd. where Moses is suspected of embezzlement of money. PK later found out that Moses is working for XYZ Ltd., another client of his. Under most of the anti-fraud and other professional bodies' Code of Professional Ethics, what should PK do?
- A. Report the matter to the XYZ Ltd.'s Board
 - B. Inform XYZ Ltd.'s Management
 - C. Inform police if the evidence is sufficient
 - D. None of the above
32. Most professional organisations have codes of ethics. Which of the following is **NOT** a purpose of the code of ethics for professional ethics?
- A. Provide more general solutions to professional ethical dilemmas that might not be found under general ethical principles
 - B. Facilitate practical enforcement and profession-wide internal discipline
 - C. To serve as an ethical reference and benchmark
 - D. All of the above
33. Which of the following parties is responsible for directing employees to carry out business activities and manage the expected performance?
- A. External auditors
 - B. Internal auditors
 - C. The audit and risk committee
 - D. None of the above
34. Which of the following is an element of the Fraud Triangle?
- A. Social pressure
 - B. Perceived situational pressure
 - C. Personal integrity
 - D. None of the above
35. Effective ownership and reporting structures within an organisation are necessary to ensure which of the following principles of corporate governance?
- A. Transparency
 - B. Accountability
 - C. Responsibility
 - D. All the above
36. A forensic fraud examiner, while conducting an investigation, is **NOT** permitted to express an opinion regarding which one of the following?
- A. The guilt or innocence of a suspect
 - B. Failure to comply with IFRS
 - C. Failure to comply with IAS
 - D. None of the above
37. The corporate governance principle that pertains to the duty of internal parties to act in the best interest of the organisation is referred to as:
- A. Accountability
 - B. Transparency
 - C. Fairness
 - D. Responsibility
38. Which of the three known major categories of occupational fraud is the most common?
- A. Fraudulent disbursement

- B. Conflict of interest
 - C. Asset misappropriations
 - D. Embezzlement
39. A Public Interest Oversight Board (PIOB) in a country normally includes which one of the following functions?
- A. Developing best practices for corporate governance for global organisations
 - B. Establishing international standards for financial reporting
 - C. Providing Oversight over the process of setting international auditing standards
 - D. All of the above
40. Which of the following procedures should the external auditor **NOT** use to obtain information for identifying the risks of material misstatement due to fraud?
- A. Conduct interviews of the entity's management only, to obtain clear and accurate views on the risks of fraud
 - B. Examine any unusual or unexpected relationships identified through analytical procedures
 - C. Consider whether the information obtained from the risk assessment procedures indicates that fraud risk factors are present
 - D. All of the above
41. Which of the following is **NOT** true in regard to occupational fraud?
- A. Most of occupational offenders are repeat offenders
 - B. Most of the occupational offenders are first offenders
 - C. Most of the occupational offenders do not have prior criminal records
 - D. All the above
42. The primary responsibility for evaluating the effectiveness of the compliance program rests with?
- A. Internal auditor
 - B. Management
 - C. Board of directors
 - D. None of the above
43. Preventive anti-fraud controls include which one of the following?
- A. Continuous audit techniques
 - B. Anti-fraud prevention policy
 - C. Analytical data review
 - D. None of the above
44. Preventive anti-fraud controls include all the following **EXCEPT**?
- A. Fraud audit
 - B. Fraud awareness training
 - C. Hiring policies
 - D. Segregation of duties
45. If an individual perceives a high possibility of being caught perpetrating fraud, he or she would be demotivated from committing fraud. Which of the following procedures would discourage individuals in an organisation from engaging in fraudulent and corrupt activities?
- A. Proactive fraud audits
 - B. Fraud awareness training
 - C. An anti-fraud policy
 - D. All the above
46. Which of the following statements is **CORRECT** in regard to an effective internal control system?
- A. Well-designed and implemented internal control system is effective in fraud prevention
 - B. An effective internal control system must be well-designed, implemented, and enforced
 - C. An effective internal control system must be well-designed, implemented and well enhanced
 - D. All the above
47. Which of the following is **ACCURATE** in regard to fraud prevention?
- A. Fraud prevention is made up of a set of rules and procedures which in their aggregate minimise the occurrence of fraud while maximising the detection of fraud
 - B. Fraud prevention is a process that provides reasonable assurance with regard to fraud prevention and detection

- C. A thorough fraud prevention control system can eliminate fraud
D. All the above
48. Which of the following is the primary foundation for the INTOSAI professional framework for auditing in the public sector?
A. The call for supreme audit institutions to develop their own independence standards
B. The call to keep government auditors employed by the organisations that they audit.
C. The call for supreme audit institutions to influence industry regulations
D. The call for legislated independence of government auditing institutions
49. Which of the following statements is **TRUE** with regard to employees' loyalty?
A. According to Diane Vaughan, an employee who is truly loyal to a company can perpetrate fraud on behalf of the organisation
B. According to Diane Vaughan, an employee who is truly loyal to a company cannot perpetrate fraud on behalf of the organisation
C. According to Diane Vaughan, an employee who is truly loyal to a company can perpetrate fraud against the organisation.
D. All the above
50. According to ISA 240, the auditor's assessment of the risk of material misstatement due to fraud at the financial statement level should have an effect on which of the following aspect(s) of an audit?
A. Selection of auditing procedures
B. Assignment and supervision of personnel
C. Consideration of accounting principles used
D. All of the above
51. Which of the following is **ACCURATE** in regard to the objectives of good corporate governance?
A. Enhance the accuracy and reliability of the organisation's financial reports
B. Detect financial misstatements, whether caused by errors or fraud
C. Provide reasonable assurance regarding the organisation's compliance with applicable laws and regulations.
D. Encourage the efficient use of resources and require accountability for the stewardship of the resources
52. According to the authors of Crimes of the Middle Classes, which of the following factors is NOT correct in regard to the rising problem of economic crime?
A. The economy's increased reliance on credit
B. The decreased opportunity for wrongdoing facilitated by advanced information technology
C. The continued pressures of a culture that rewards affluence and success
D. All of the above
53. An employees' anti-fraud training should include which of the following elements?
A. Information on how the organisation responded to previous offences
B. A detailed information of the organisation's anti-fraud controls
C. A detailed information of the procedures management will use to detect fraud
D. All of the above
54. Which of the factors below does **NOT** affect employees' ethical decisions?
A. Tension between personal standards and organisational needs
B. Industry and organisational ethical codes
C. The law and other government regulations
D. None of the above
55. Inadequate oversight over management, is an example of which type of fraud risk factor relating to fraudulent financial reporting?
A. Rationalisation
B. Perceived situational pressure
C. Pressures/ incentives
D. None of the above
56. Which of the following parties has responsibility to aid shareholder in fraud prevention and detection within an organisation?
A. Internal auditors

- B. Management
 - C. Board of directors
 - D. All the above
57. According to COSO, the effectiveness of the internal control system can be evaluated by assessing whether the five components of the COSO internal control integrated framework are in place and functioning effectively, and operating together in an integrated manner. Which of the following is **NOT** one of the components?
- A. Control environment
 - B. Internal controls
 - C. Information and communication
 - D. Control Activities
58. Which of the following is **NOT** important for a company, to consider in regard to establishment of a document retention policy?
- A. General rules for documenting and retaining records
 - B. Specific requirements related to electronic documents
 - C. Laws and regulations regarding recordkeeping requirements
 - D. All of the above
59. In relation to fraud examination and integrity, which of the following is **NOT** desirable?
- A. Independence of mental attitude and avoidance of conflict of interest
 - B. Subordination of desires for personal gain to the interests of clients, employers and the public
 - C. An ability to analyse situations where only professional rules are specifically applicable and determine right from wrong
 - D. All of the above
60. Which of the following is **NOT** an IOSCO Principle for Auditor Oversight in regard to audit?
- A. Be performed by a body that acts and is seen to act in the interest of the client
 - B. Involve a regular review process designed to ascertain whether audit firms adhere to quality control policies and procedures
 - C. Take place within the audit firm, by professional associates, and through government regulation
 - D. All of the above
61. According to The Institute of Internal Auditors' International Standards for the Professional Practice of Internal Auditing, the internal audit team must **NOT** do which one of the following?
- A. Evaluate the risks of fraud
 - B. Identify red flags of fraud
 - C. Evaluate the fraud risk management initiatives
 - D. Investigate fraud where red flags are identified
62. The IOSCO Principles for Auditor Oversight, effective oversight of the auditing profession do **NOT** include which one of the following principles?
- A. The mechanism does not require auditors to be subject to the discipline of an auditor oversight body that is independent of the audit profession
 - B. A mechanism to require that auditors have proper qualifications and competency
 - C. A mechanism to require that auditors are independent of the enterprises that they audit
 - D. All of the above
63. Which of the following **BEST** describes the rationalisation leg of the fraud triangle?
- A. "Management and the board is taking kickbacks, so it cannot be that bad?"
 - B. "I need money to pay my debts"
 - C. "Possibility of detection is very low or none"
 - D. "I have an emergency I have no other way to solve the problem"
64. Which of the following **BEST** describes the opportunity leg of the fraud triangle?
- A. "Management and the board is engaging in a conflict of interest, so it is okay"
 - B. "I need money for an emergency"
 - C. "I have the skills to perpetrate and conceal the fraud"
 - D. "I have an emergency I have no other way to solve the problem"
65. Which of the following **BEST** describes situational pressure fraud scale developed by Dr. Steve Albretch?
- A. "Management and the board are taking kickbacks, so it cannot be that bad?"

- B. "I need money to pay my debts"
 C. "We have not met the profits targets; we must make the figures meet the targets"
 D. "I have an emergency and I have no other way of solving the problem"
66. Which of the following factors should an organisation **NOT** consider when designing the components of its compliance and ethics programme?
 A. Age of the organisation
 B. Recurrence of similar conduct
 C. Industry size and standards
 D. All of the above
67. Which of the following is **NOT** one of the principles involved in the risk assessment process, as laid out by COSO?
 A. Conducting ongoing monitoring of the risk management strategy
 B. Assessing changes that could significantly impact the internal control system
 C. Setting clear organisational objectives
 D. Considering the potential for fraud
68. COSO identified five components that must be integrated to which of the following?
 A. Compliance program
 B. Ethics program
 C. Internal control framework
 D. None of the above
69. Which of the following is **NOT** one of the COSO interrelated components of a company's internal control system?
 A. Control environment
 B. Risk assessment
 C. Assurance function
 D. None of the above
70. Which of the following elements is **NOT** desirable for a corporate compliance program to be effective?
 A. Due diligence in the hiring process
 B. Appropriate incentives for compliance with the programme
 C. One-off evaluation of the compliance programme
 D. All of the above
71. Which of the following is an example of controls that can minimise rationalisation?
 A. Fraud awareness training
 B. Employees support program
 C. Proactive audit procedures
 D. None of the above
72. Which of the following is **NOT** one of the proactive fraud detection measures?
 A. Regular analytical review procedures,
 B. Regular fraud assessment questioning
 C. Routine audits
 D. None of the above
73. Which of the following is a criteria of fraud prevention health check-up, that is related to, the extent that the board of directors are providing oversight over fraud risk management?
 A. Fraud risk oversight
 B. Fraud risk tolerance
 C. Fraud risk assessment
 D. None of the above
74. Which of the following is **NOT** a component of a comprehensive ethics program?
 A. Focus on ethical leadership
 B. Vision statement
 C. Values statement
 D. None of the above
75. Which of the following is **NOT** a desirable component of a comprehensive ethics program?
 A. Ethics official with other major responsibilities

- B. Ethics task force or committee
 - C. Ethics communication strategy
 - D. Ethics training
76. Which of the following is **NOT** a responsibility that the internal auditor should carry out in conducting an audit engagement?
- A. Evaluate the indicators of fraud and decide whether any further action is necessary or whether the auditor should conduct further investigation alongside the audit
 - B. Evaluate whether management is actively retaining responsibility for oversight of the fraud risk management program
 - C. Consider fraud risks in the assessment of internal control design and determination of audit steps to perform
 - D. All of the above
77. The commission formed in 1985 with the purpose of defining the responsibility of the auditor in preventing and detecting fraud is known as the:
- A. COSO Commission
 - B. Treadway Commission
 - C. International securities commission
 - D. None of the above
78. Which of the following is **NOT** a good corporate governance practice?
- A. Define the relationships and expectations of the parties involved
 - B. Provide clear lines of accountability and reporting
 - C. Ensure that a few individuals are capable of making all the business decisions without influence, input or approval of other parties.
 - D. All of the above
79. Which of the following is **NOT** true in regard to a good corporate governance framework?
- A. It is not flexible
 - B. Is appropriate for the organisation's legal and regulatory environment
 - C. Takes into account the organisation's cultural and ethical environment
 - D. None of the above
80. Which of the following is **CORRECT** in regard to OECD and Corporate Governance?
- A. The OECD Principles of Corporate Governance support establishing stronger protection for foreign shareholders than domestic shareholders
 - B. The OECD Principles of Corporate Governance support establishing stronger protection for domestic shareholders than foreign shareholders
 - C. The OECD has developed a detailed corporate governance policy that can be effectively applied to all organisations
 - D. None of the above
81. According to the OECD Principles of Corporate Governance, which of the following is **NOT** correct on a corporate governance framework?
- A. Ensure proportionate treatment of all shareholders, including minority and foreign shareholders.
 - B. Encourage active cooperation between corporations and stakeholders in creating wealth and jobs
 - C. Ensure the timely and accurate disclosure of all material matters regarding the corporation
 - D. All of the above
82. Who is responsible for holding the board of directors accountable for proper governance and oversight?
- A. The external auditors
 - B. The shareholders
 - C. The chairman of the board
 - D. Executive management

83. Which of the following was **NOT** one of the recommendations of the Treadway Commission for the audit committee to reduce the risk of fraudulent financial reporting?
- A. To have written charter for the audit committee
 - B. To have a mandatory independent audit committee
 - C. To have adequate resources and authority
 - D. To have basic Knowledge on matters that pertain to their responsibility
84. Which of the following parties is responsible for directing employees to carry out business activities and managing their performance of those tasks?
- A. Shareholders
 - B. External auditors
 - C. The board of directors
 - D. None of the above
85. Effective corporate governance practices are most important for which of the following organisations?
- A. A wholesale shop
 - B. A sole-practitioner medical clinic
 - C. A financial institution listed in the stock exchange
 - D. A General partnership enterprise
86. Which of the following **BEST** describe oversight responsibilities of different parties for an organisation's direction, operations and performance.
- A. Risk management
 - B. Corporate governance
 - C. Corporate compliance
 - D. None of the above
87. Which of the following **BEST** describes the principle related to clarity, accuracy, completeness, and timeliness of the financial statements and other information provided by management to shareholders.
- A. Fairness
 - B. Accountability
 - C. Transparency
 - D. Responsibility
88. Which of the following is the most effective method of fraud prevention?
- A. Increasing perception of detection
 - B. Putting strong controls in place
 - C. Punishing offenders
 - D. All the above
89. Which of the following is **NOT** a method of reengineering controls?
- A. Gender balance in a high fraud risk area
 - B. Ethnic balance in a high fraud risk area
 - C. Enhancing controls in a high fraud risk area
 - D. None of the above
90. Which of the following is **NOT** a control environment principle of the COSO that supports the design and implementation of an effective control environment?
- A. Personnel at all levels demonstrate commitment to integrity and ethical values
 - B. Management demonstrate commitment to integrity and ethical values
 - C. Board should be independent of management and oversee the design and implementation of the internal control
 - D. Organisation holds individuals accountable on internal controls
91. Which of the following is **NOT** a fraud risk assessment principle of the COSO
- A. The organisation sets clear objectives to enable the identification and assessment of risks relating to the objectives
 - B. The organisation identifies risks to the achievement of the objectives
 - C. The organisation identify changes that would significantly impact the system of internal controls
 - D. The organisation puts control activities in place to mitigate the fraud risk

92. Which of the following is among the audit committee's responsibilities for fraud risk management?
- A. Design and implementation of controls to mitigate the risks
 - B. Monitoring and proactively improving the fraud risk management programme
 - C. Performing and regularly updating the fraud risk assessment
 - D. None of the above
93. Which of the following should be covered in employee anti-fraud training?
- A. Examples of past incidences of fraud and how the organisation responded
 - B. A detailed explanation of the company's anti-fraud controls
 - C. The exact procedures management uses to detect fraud
 - D. All of the above
94. Which of the following is **NOT** a factor that affects employees' ethical decisions:
- A. Balance between personal standards and organizational needs
 - B. Financial pressure
 - C. Social pressure
 - D. None of the above
95. Ineffective monitoring of management, a complex organisational structure, and deficient internal control components are all examples of which type of fraud risk factor relating to fraudulent financial reporting?
- A. Rationalisations
 - B. Pressures
 - C. Collusion
 - D. None of the above
96. Which of the following parties is responsible for fraud prevention in an organisation?
- A. Internal auditors
 - B. External auditors
 - C. All levels of personnel
 - D. Board of directors
97. Which of the following is **CORRECT** according to differential reinforcement theory?
- A. Behavior is weakened by positive stimuli
 - B. Behavior is weakened when punishment is avoided
 - C. Behavior is reinforced through positive reinforcement
 - D. None of the above
98. Clinard and Yeager believe that corporate crimes are increasingly difficult to detect because:
- A. Accounting techniques are more complex
 - B. Criminals are smarter
 - C. Violations are more complex
 - D. None of the above
99. Which of the following is **NOT** an effective method of increasing the perception of detection?
- A. Requiring strong management oversight
 - B. Forcing employees to take time off
 - C. Conducting special audits
 - D. All of the above
100. Which of the following is **NOT** a principle pertaining to the information and communication component of the COSO's Internal Control—Integrated Framework?
- A. The organisation communicates information, including objectives and responsibilities for internal control, necessary to support the functioning of internal control internally
 - B. The organisation communicates only with internal parties regarding matters affecting the functioning of internal control
 - C. The organisation obtains or generate and uses relevant, quality information to support the functioning of internal control
